

ALALINC

ACCESS AGREEMENT

Rev: 12/30/1999

In return for authorization for access to the online service known as *ALALINC* and administered by the State Law Library (LIBRARY), the USER agrees to the terms, conditions, and provisions of this access agreement.

PASSWORDS: Access to *ALALINC* will be by use of a USERID and password. Passwords will be provided by the USER and may be changed as frequently as the USER desires. The USER will be responsible for maintaining the confidentiality and security of his/her password and will be responsible for all charges accrued when the password is used to access *ALALINC*.

USERID's and passwords will remain assigned to, and will remain the property of, the USER to whom they are assigned during the entire term of this agreement. USERID's and passwords are not transferrable. The LIBRARY reserves the right to suspend use of the USERID and password of any USER suspected of violating any of the terms, conditions, or provisions of this access agreement or *ALALINC*'s rules and policies, without prior notice to the USER.

TERM: This access agreement expires one year from the activation date, unless renewed before said expiration date by renewal of the access agreement and payment of the user fee in effect at the time of renewal. The USER may terminate this access agreement at any time during the term of the agreement upon written notice to the LIBRARY. USER fees are non-refundable.

CONFIDENTIALITY: We offer private electronic mail and file attachments on our system as a service to our callers. We will endeavor to keep all electronic mail and file attachments private, viewable only by the sender and the person to whom it was addressed. However, as *ALALINC*'s system operator, we maintain the right and responsibility to investigate and/or delete any messages or files that we have reason to believe may involve illegal activities or create a risk of harming the integrity or operation of our system or our users.

VIRUSES: The LIBRARY will take reasonable measures to provide USERS a virus-free environment. However, the LIBRARY will not be liable to any USER for any injury, loss, or damage incurred by said USER resulting from any virus suspected to have been transported to the USER's computer through *ALALINC*. The USER is advised that before downloading any information from *ALALINC*, the USER should install programs on the USER's computer to scan for and shield against viruses.

NO-WARRANTY PROVISION: THE INFORMATION, DATA, MESSAGES, SOFTWARE, INTERNET FUNCTIONS AVAILABLE ON AND ACCESSIBLE THROUGH *ALALINC* ARE PROVIDED WITHOUT WARRANTY OF ANY KIND. THE LIBRARY DOES NOT WARRANT THE ACCURACY OR CORRECTNESS OF ANY INFORMATION, DATA, OR MESSAGES OR THE PERFORMANCE OF ANY SOFTWARE OBTAINED THROUGH *ALALINC* OR THE INTERNET.

THERE ARE NO WARRANTIES -- EXPRESS OR IMPLIED -- RELATING TO ACCESS TO OR THE USE OF *ALALINC*, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF THE INFORMATION, DATA, MESSAGES, OR SOFTWARE ACCESSIBLE THROUGH *ALALINC*.

LIMITATION OF LIABILITY: The entire risk of accessing and using *ALALINC* -- including the risk of downloading a computer virus -- rests with the USER. In the event that access to or use of *ALALINC* -- including access to or the use of any of the information, data, messages, software or internet functions accessible through *ALALINC* -- causes the USER to incur any injury, loss, or damages of any nature, the USER accepts complete responsibility for any costs resulting from that injury, loss, or damage. Under no circumstances will the LIBRARY be liable for any direct, special or consequential damages or lost profits arising out of or related to this access agreement or access to or the use of *ALALINC*.

WAIVER OF LIABILITY AND LIMITATION OF DAMAGES: The USER acknowledges that the LIBRARY is not responsible for any injury, loss, or damage incurred as a result of the USER's access to or use of *ALALINC* or as the result of the nature or content of the information, data, messages, software or internet functions accessible through *ALALINC* and hereby waives all claims against the LIBRARY -- whether in contract, tort, or strict liability -- for any damage, loss, or injury incurred in connection with or arising out of access to or the use of *ALALINC*.

BASIC ACCESS: A USER will have "first come - first serve" access to *ALALINC*'s host computer via modems and a bank of local telecommunication lines dedicated to *ALALINC*, with complete access to all public libraries and databases available on *ALALINC* and full downloading capabilities.
